English- Stufa

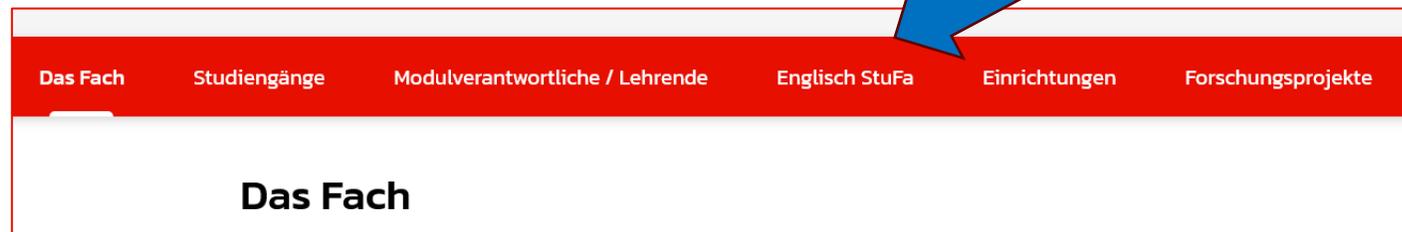

We're a group of bachelor's and master's students from both elementary and secondary education. Our main goal is to strengthen the connection between students and lecturers, organize exciting events throughout the semester, and support you with any organizational questions you might have.

Stay up to date with our latest events and activities on our Instagram page!

Do you have any questions, ideas, or would you like to get involved with the StuFa? We'd love to hear from you — just send us a DM message via Instagram or an email!

Do you have any further questions or are you interested in getting involved in English within the StuFa? In that case we're looking forward to hearing from you via email or Instagram!
